Frequently Asked Questions - FAQs

Each year applicants ask similar questions about their applications. We hope that this list aids you in completing your application.

Q: If I applied last year do I still have to send in my SAT or ACT scores?

A: Yes, each year the Trustees who evaluate the applications need to see all of your scores and the Industrial Auctioneers Association does not re-file past applications or update them yearly.

Q: If I am a college student and took the SAT or ACT several years ago do I still need to send my scores?

A: Yes, even if your testing was done several years ago the Trustees still need the scores for evaluative purposes.

Q: Is a copy of my transcript and scores acceptable?

A: You may send a copy of an official score sheet or transcript, be sure that it is official and has the school's seal or other official statement on it.

Q: Will I be informed if parts of my application are missing?

A: No, it is the applicant's responsibility to send all parts of the application to the Industrial Auctioneers Association office by the deadline.

Q: How can I ensure that my recommendations will arrive on time?

A: When you ask someone to write a recommendation give them ample time and provide them with a stamped, pre-addressed envelope to the Industrial Auctioneers Association. You may ask several people to write a recommendation. The recommendation must be from a teacher, counselor or faculty member from your current educational institution.

Q: Is one aspect of the application weighted more than another?

A: No, the Trustees look at all aspects of your application and weigh each section carefully. It is essential that your transcript be included to evaluate your academic record. In addition, as with college applications, your essays give the Trustees insight into your thoughts and goals.

We hope this answers your questions. Good luck!
